

Meek Mirrors Limited Warranty

Meek Mirrors frames, grab bars, shelves, stainless steel mirrors and corner guards have a one-year limited warranty covering defects in workmanship and material under normal use from the date of purchase.

Meek mirror glass is warranted for 15 years against spoilage. Laminated mirror spoilage is warranted for 5 years.

Tempered Mirror does not have the same optic quality as ¼" float mirror and there may be distortion, irregularities and haziness. This is due to the high temperatures required to temper the glass. For this reason, Meek does not extend a warranty on the surface quality of tempered mirror. Tempered mirror has a 5-year warranty against mirror spoilage and a 1-year warranty against defects in workmanship.

Meek toilet paper dispensers, soap dispensers, and hand towel dispensers are guaranteed for one year against defects in workmanship and material under normal operating conditions.

Meek purchases some items such as electric hand dryers that may have a different warranty.

For example, certain electric hand dryers have a lifetime warranty. Please contact Meek Customer Service for specifics on those products.

Damage from use of corrosive cleaners containing ammonia, bleach, etc. is not covered in the warranty and voids the spoilage warranty. Rust and discoloration to stainless steel parts resulting from exposure to harsh environmental and/or chemical conditions are not considered to be defects in workmanship or material and there is no express or implied warranty for such conditions.

Meek Warranty does not cover product failures due to improper mounting of any products purchased from or manufactured by Meek.

It is the responsibility of the general contractor, installer/owner to insure that all products are mounted with appropriate fasteners to structurally sound walls, etc. to meet and exceed all local, state and federal codes and that they are mounted in the position to meet ADA and other building codes for the appropriate regulatory authority.

Warranty claims may be submitted by calling Meek Mirrors and may require photo and possible return of the defective item.

Purchaser is responsible for paying freight. In all cases, purchaser's only remedy against Meek is for the replacement or repair, at Meek's option.

Meek warranties do not cover damage due to theft or vandalism. Meek is not responsible for damages for field labor or installation, lost profits, lost sales, injury to persons or property or for any other loss.
